The Honorable Tom Cole
Chairman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Rehab of Lexington Square Apartments Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Angleton, located at 121 South Velasco Street, Angleton, Texas 77515. The funding would be used for rehabilitating the Lexington Square building, which is an 80-unit affordable housing community tailored to families that includes on-property community and family services. The project is an appropriate use of taxpayer funds because providing residents with a safe, up to code living situation furthers residents' community involvement, economic prosperity, and ability to raise a successful family, all factors that contribute to a prosperous community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

RANDY K. WEBER
United States Representative
