Dear Friends:

I am requesting \$4,700,000 in fiscal year 2025 for the Beaumont Downtown Revitalization Plan project. The entity to receive funding for this project is the City of Beaumont, Texas, located at 801 Main Street, Suite 300, Beaumont, Texas 77701. The funding would be used for rerouting a section of existing transmission and distribution lines that bisect a parking lot on which a proposed downtown Beaumont hotel would be built on. The project is an appropriate use of taxpayer funds because the project would boost tourism to the city and stimulate other development and redevelopment in downtown Beaumont.

This project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

RANDY K. WEBER  
United States Representative
