Dear Chairwoman Granger, Ranking Member DeLauro, Chairman Cole, and Ranking Member Quigley:

As you begin crafting the fiscal year 2024 (FY24) Transportation, Housing and Urban Development appropriations bill, I respectfully request that you provide a funding level of \$8,000,000 under the Port Infrastructure Development Program for a project entitled Transportation Infrastructure Fostering Community Based Job Creation. The entity to receive funding for this project is the Port of Port Arthur Navigation District, located at 221 Houston Avenue, Port Arthur, Texas 77640.

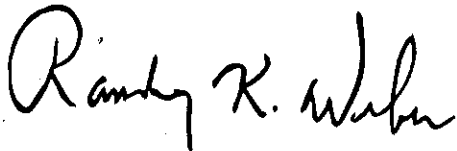

This community project funding (CPF) request would facilitate drainage improvements and construction of a 50,000 square foot multimodal transit shed providing enhanced rail and truck connectivity for marine cargo. It will support U.S. exports and manufacturing, as well as local job creation.

The project is an appropriate use of taxpayer funds because the project will enhance the Port's ability to move cargo, benefiting not only the community, but all parties involved.

The project has a federal nexus for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Randy K. Weber". The signature is written in a cursive style with a large, looped initial "R".
